## MARVEL DRAWING WORKSHOP

Experience a rare opportunity to learn from Marvel comic artist Jerry DeCaire during a special 3-hour drawing workshop! Known for his work on Deadpool, Wolverine, Thor, and other iconic heroes, Jerry will guide participants through his dynamic illustration techniques and creative process. Whether you're an aspiring artist or simply a fan of comic art, this hands-on workshop offers a golden opportunity to learn from a true industry professional and elevate your drawing skills.

## COMPUTER CLASSES

Our Computer Basics class is designed to help beginners build confidence with everyday technology. Participants will learn essential skills such as navigating a computer, using the internet safely, managing files, and understanding common programs. Whether you're new to computers or simply looking to refresh your skills, this class offers clear, supportive instruction to help you feel more comfortable and capable in the digital world.

## MANGO LANGUAGES

Start the new year by diving into a fresh skill with Mango Languages - free with your Dorr Library card! Whether your resolution is to travel more, connect with new cultures, or challenge your mind, Mango offers interactive lessons in dozens of languages to help you meet your goals.

## JEWELRY MAKING

Explore your creative side in our Jewelry Making Program, where you'll design one-of-a-kind pieces using melted crayons, resin, and a variety of other unique materials. This hands-on workshop is the perfect way to experiment with color, texture, and technique while crafting jewelry that's truly your own.

## SWORDSMANSHIP 3-PART SERIES

Get ready to embark on an epic, three-part journey through the art of the blade! In partnership with the Swordsmanship Museum, we're bringing history to life with hands-on experiences that explore iconic eras of combat. January kicks off with *Blades of the Caribbean: Pirate Swordsmanship*, where participants dive into the daring techniques of seafaring raiders. In February, *Combat of Vikings* highlights the power and precision behind Norse battle styles. Finally, March concludes with *Sengoku Jidai: Japan's Warring States Period*, offering a dynamic look at samurai strategy and traditional Japanese weaponry. Join us for one - or all - of these immersive programs and discover the world of swordsmanship like never before!

## No Sew Fleece Blanket

Create a cozy, personalized fleece blanket in our No-Sew Blanket Program. Perfect for keeping warm this winter!

## Bingo!

Join us for bingo at the library! Play for a chance to win fun prizes and enjoy a great time with friends and family.

## Donuts and Painting

Back by popular demand, it's Donuts and Painting! Come to the library and enjoy a delicious donut while you paint a fun Valentine's work of art or an adorable dessert picture.
